RANGE ROVER EVOQUE NEW ADDITIONS FOR 2015

RANGE ROVER EVOQUE AUTOBIOGRAPHY

Ever since its inception, Range Rover Evoque has caused a stir. Beautifully poised with striking design cues, the new Autobiography model takes the plaudits further. New exterior features include a premium grille with bright surround and Atlas highlights on the front bumper. The distinctive exterior is complemented perfectly by the contemporary interior where a choice of six colourways and premium standard equipment help create a stylish space.

INCONTROL™ APPS

Land Rover InControl™ Apps enables you to use vehicle optimised smartphone apps on the vehicle's Touch-screen. Using the InControl Apps USB port you can enjoy a variety of vehicle optimised apps such as: Contacts, Calendar and Music Player, with more third party vehicle optimised apps being released over time. Your smartphone will also be re-charged whilst using InControl Apps.

With its striking lines, muscular shoulder and tapered roof, Range Rover Evoque sets itself apart from its contemporaries. Whether discovering hidden parts of town or being seen in all the right places, it's always ready for action.

The Range Rover Evoque Coupé's profile is as dynamic and athletic as the drive itself. With Land Rover capability at its very heart, the vehicle can tackle all terrains with ease, be it any cobbled mews, snowy roads or rocky tracks.

Innovative LED Xenon lighting systems blaze a clear trail in all conditions and add greatly to the vehicle's dramatic presence and look. Its sleek wing mirrors feature 'hidden until lit' side indicators. Inside, the full-size panoramic glass roof lets light flood into the cabin and allows everybody to experience everything outside. The rear bench seat accommodates two adults comfortably, ensuring the city is always fun to explore.

The five-door vehicle, with its same athletic design and unparalleled accessibility, has all the compact beauty and capability of the Coupé, but in a format to match your specific needs. It combines extra versatility and practicality for city life while remaining true to the original design concept.

Range Rover Evoque was born to live. The optional Adaptive Dynamics monitors your driving style 1,000 times per second to give a smoother ride no matter what the occasion. And its class-leading nine-speed automatic transmission delivers greater control with improved fuel economy.

Land Rover's signature Sports Command Driving position ensures you benefit from a greater view of the road ahead and delivers a more connected drive. So whatever the city throws at you, you're in the right place to tackle it with confidence.

More than just a pretty face, Range Rover Evoque features a suite of up-to-the-minute technologies such as Meridian™ Surround Sound System, Hard Disk Drive navigation and Dual View Touch-screen. Don't simply explore with confidence, stay entertained. Added to which, mood lighting adds to the distinct ambiance, with a choice of five colours and a variety of brightness settings. No matter what the light is outside, it's always just as you like it inside.

Surround yourself in contemporary, award-winning design. The quality of the materials are emphasised by the clean treatment of the interior surfaces: Range Rover Evoque features twin-stitch leather and highly finished dials, together with a range of finishers and special details to help create your own individual space.

While the vehicle makes a big impact in the city, the impact on the planet is minimised. With 16kg of recycled plastic and 21kg of renewable and natural materials in each car, it's taking big steps to reduce its environmental footprint. Lightweight downsized four-cylinder turbocharged engines offer significantly reduced CO₂ emissions and improved fuel economy.

NOW IT'S TIME TO CHOOSE...

Range Rover Evoque offers you great options and flexibility to personalise your vehicle. The following pages take you through a logical series of steps to make it a true expression of your individuality. You have several choices: from selecting your engine and model to exterior and interior colours, wheels, finishes and those detailed touches that define your style.

If you'd like to bring your options to life, go to our online configurator at landrover.co.uk

Step 1

Choose your engine

You can select from a powerful range of petrol or diesel engines.

Step 2

Choose your model

Compare the standard features on each model.

Step 3

Choose your colour

There's a wide range on offer to enable you to express yourself.

Step 4

Choose your wheels

There's a range of styles, each one designed to complement the bold exterior.

DRIVELINE, ENGINE PERFORMANCE AND FUEL ECONOMY

The improved range of petrol and diesel engines uses the very latest powertrains. In fact, coupled with lightweight all-aluminium technology, the six-speed manual transmission (standard with eD4 and SD4) and the nine-speed automatic transmission (standard with the Si4 and optional for SD4), delivering greatly improved fuel efficiency and lower CO₂ emissions.

However, nothing has been lost in performance. For instance, the 2.0 litre Si4 Petrol engine goes from 0-60mph in just 7.1 seconds. All engines feature Intelligent Stop/Start technology that automatically shuts down the engine at rest and starts it again as soon as you lift your foot off the brake.

2.2L eD4 DIESEL

2.2L SD4 DIESEL

2.0L Si4 PETROL

	eD4 DIESEL	SD4 DIESEL	Si4 PETROL
Driveline	Two Wheel Drive (2WD)	Four Wheel Drive (4WD)	Four Wheel Drive (4WD)
Power (kW / PS)	110/150	140/190	177/240
Torque (Nm)	380	420	340
Maximum torque (rpm)	1,750	1,750	1,750
Capacity (cc)	2,179	2,179	1,999
No. of cylinders	4	4	4
Cylinder layout	Transverse	Transverse	Transverse

FUEL ECONOMY		Manual	Automatic	Manual	Automatic
Urban (Coupé/five-door)	mpg	47.9/47.1	40.9/39.2	40.9/40.9	27.4/27.4
Extra Urban (Coupé/five-door)	mpg	62.8/62.8	54.3/53.3	56.5/56.5	44.1/44.1
Combined (Coupé/five-door)	mpg	57.6/56.5	48.7/47.1	49.6/ 49.6	36.2/36.2
CO ₂ Combined emissions (Coupé/five-door)	g/km	129/133	153/159	149/149	181/181

The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. A vehicle's actual fuel consumption may differ from that achieved in such tests and these figures are for comparative purposes only. Low fuel warning at 9 litres approximately.

Each model has a choice of engines and unique features. This guide will help you to select your ideal Range Rover Evoque. On the following pages you'll see the key standard features for each model.

RANGE ROVER EVOQUE PURE

PURE Specification:

Interior Features

Grained leather seats, six-way / four-way manual adjustment
Cruise control
Heated front seats
Meridian™ Audio system (380W) with radio and single slot CD player, MP3 disc and file compatibility, subwoofer and 11 speakers
Bluetooth® phone connection
Oxford leather steering wheel with multi-functional controls
Tyre Pressure Monitoring System (TPMS)
Customer configurable LED interior mood lighting – Red, White and Blue.

Exterior Features

18 inch five-split spoke 'Style 506' alloy wheels
Brunel grille, side fender blades and tailgate finisher (five-door)
Rear Evoque badge in Black.

PURE TECH Specification in addition to PURE:

Automatic headlamps
Headlamp powerwash
Front parking aid
Rain sensing windscreen wipers
Heated front windscreen and washer jets
HDD navigation system
TMC Dynamic route guidance
'Say What You See' intuitive voice control.

Vehicle shown above features optional fog lamps.

STEP 3 CHOOSE YOUR COLOUR – BLACK DESIGN PACK

Personalising the exterior

For an even more striking effect, Range Rover Evoque Dynamic, both Coupé and five-door, can be further personalised with the optional Black Design Pack. Emphasising the assertive, confident stance of the vehicle, the Black Design Pack makes Range Rover Evoque your own.

Black Design Pack is available in all exterior colour options and includes the following: darkened front headlamps and foglights, with clear rear lights, inner and outer Santorini Black sump guards for both front and rear, black RANGE ROVER lettering on bonnet and tailgate, black aero flip spoiler, black exhaust finishers and 20 inch nine-spoke Gloss Black Finish wheels.

Vehicle shown above is Dynamic five-door in Kaikoura Stone featuring optional Black Design Pack and contrast roof in Santorini Black.

GRAINED LEATHER

OXFORD LEATHER

Range Rover Evoque's contemporary interior combines sophisticated finishers, real metallic trims and distinctive colourways for a fresh, modern look and feel. And you can choose from Grained leather seats or the luxury of Oxford leather. Details include twin-needle stitching, where even the length and direction, thread colour and strength are considered.

STEP 5 CHOOSE YOUR INTERIOR – TRIM FINISHERS CHOICES

The softest of leathers, the most meticulous of finishes

The interior is upholstered in the finest natural materials. The warmth of wood veneers, superb metal finishes and soft leathers combine to create a sense of home. The attention to detail is everywhere you look and in everything you touch. The type of leather is determined by model choice as outlined in the following pages.

INTERIOR REAR SEAT OPTIONS

Bench seat

Sports orientated twin seats

Range Rover Evoque Pure, Dynamic and Autobiography are all available with a rear bench seat on both Coupé and five-door versions. Naturally, the rear seats and cabin space are thoughtfully planned to ensure a truly relaxed and comfortable ride and Range Rover Evoque Coupé offers the further choice of sportier twin seats as standard.

Right interior shown only available on Coupé.

KEY FEATURES

Blind Spot Monitor with Closing Vehicle Sensing

These systems are designed to see what you might miss. Using discrete sensors hidden in the side and the rear bumpers, Blind Spot Monitoring alerts you via an icon displayed in the appropriate door mirror when a vehicle enters a blind spot on either side of your vehicle.

If a vehicle approaches at speed from behind when changing lanes, the Closing Vehicle Sensing function will alert you to the potential dangers by flashing the icon in the door mirror.

Reverse Traffic Detection

Activated whilst reversing, this system works by informing the driver in the event of a vehicle approaching from either side which may present a hazard, with both audible and visual warnings.

Active Driveline

The all-new Active Driveline delivers benefits in both on and off-road situations, for petrol drivetrains. In many on-road driving conditions, the system is able to disconnect drive to the rear of the vehicle, providing maximum two-wheel drive fuel economy. A sophisticated control strategy continuously monitors key vehicle and environmental parameters. If the requirements for four-wheel drive are met, the system seamlessly and imperceptibly reconnects the four-wheel drive system within 300 milliseconds. Standard feature for Si4 versions only.

Parallel, Parking Exit and Perpendicular Parking

Parallel Park identifies suitable parking spaces and automatically steers into the space whilst you operate the pedals. Parking exit provides the same assistance to manoeuvre out of the space.

A new feature for this year, Perpendicular Park is an optional addition to the system. Truly useful in car parks and tight spaces, it automatically assesses whether the chosen space is wide enough before steering the vehicle centrally into place as the driver operates the pedals.

Nine-speed Automatic Transmission

Range Rover Evoque now features a class-leading nine-speed automatic transmission, 7.5kg lighter than the previous six-speed model. You will benefit from notable improvements in both fuel economy and CO₂ emissions as well as greater control in low-grip conditions or when towing through the specially-designed, ultra-low first gear.

Surround Camera System

Using five digital cameras mounted around the vehicle, this system provides an all-round view of your surroundings on the full-colour Touch-screen, assisting in tight manoeuvring. When towing, it provides additional information to aid with reversing.

KEY FEATURES

Lane Departure Warning

A forward-looking camera mounted ahead of the rear view mirror monitors the lane markings on both sides of the vehicle and gives the driver a warning when the vehicle drifts out of its lane without the indicators being triggered. The alert comes in the form of a discrete vibration through the steering wheel, allowing the driver to take the appropriate action.

Traffic Sign Recognition

This system scans the road ahead for certain traffic signals and displays them in the Message Centre in the instrument pack. The following signs are detected: speed limit signs, no-overtaking signs, variable overhead speed signs and traffic signs with extra information – such as reduced speeds for wet roads. The system can be configured to provide speed alert warnings when the vehicle is travelling at or above the current speed limit, as well as warning of no-overtaking zones.

InControl™ Remote and Secure

Land Rover InControl™ uses in-vehicle mobile technology to safely and securely connect your world, your Land Rover and your services. Use the smartphone app to check the status of your vehicle wherever you are and have the reassurance of emergency help if required from SOS Emergency Call and Optimised Land Rover Assistance. If your vehicle is stolen, InControl Secure enables it to be tracked aiding recovery.

InControl™ Apps

Land Rover InControl™ Apps enables you to use vehicle optimised smartphone apps on the vehicle's touch-screen. Using the InControl Apps USB port you can enjoy a variety of vehicle optimised apps such as: Contacts, Calendar and Music Player, with more third party vehicle optimised apps being released over time. Your smartphone will also be re-charged whilst using InControl Apps.

Powered Tailgate

The tailgate can be opened using the key fob, a switch on the fascia or operated independently using a button on the tailgate itself. A button located inside the tailgate allows the tailgate to be closed automatically.

Wade Sensing™

Designed to aid you when the vehicle is wading, sensors in the door mirrors provide real-time information including the depth of the water and the vehicle's maximum wading capability.

KEY FEATURES

Customer Configurable Interior Mood Lighting

With five colours and several brightness configurations to choose from, you can now select the interior lighting to suit your mood and create the perfect atmosphere.

Dual View Touch-Screen

This technology enables both the driver and front passenger to view independent display content via the Touch-screen. For example, while the driver is guided by the navigation system, the front seat passenger can watch a DVD.

Meridian™ Audio

The Meridian™ Audio System delivers superb acoustics and is noted for its excellent reproduction quality from all sources – radio, CD, iPod® or USB. The optional Meridian Surround Sound System features 17 speakers including a subwoofer for full surround sound.

Climate Front Seats

For the ultimate comfort whatever the temperature, Climate front seats are now available. This option provides both heated and cooled ventilation through perforations in the Oxford leather seats. Driver and passenger preferences can be independently controlled via the Touch-screen.

Rear Heated Seats

Heated rear seats are now available for the first time on Range Rover Evoque. Available with both the bench seat (outer seats heated) and the twin rear seats on Coupé, the system has three heating levels that can be set via switches on the rear of the centre console.

Adaptive Xenon Headlamps

With their signature design, these distinctive LED lights combine distinctive looks with real capability. Adaptive Xenon lights swivel to follow the road while static bending lamps follow the kerb to give the driver greater confidence at night.

iPod® is a registered trademark of Apple Inc., registered in the US and other countries.

SPORTING

Whether you want to head off on a cycling trip with family and friends or need to tow a trailer loaded with camping gear or sports kit, this collection of accessories is the perfect leisure addition to your Evoque.

Tow Bar Mounted Bike Carrier
VPLVR0066 – Two Bike Carrier

This lockable quick release mechanism conveniently folds to ensure easy access to the tailgate. The carrier is manufactured from lightweight material and includes lighting and license plate mount. Maximum load capacity 40kgs for two bike carrier and 51kgs for three bike carrier.

Ski/Snowboard Holder*
LR006849

Carries four pairs of skis or two snowboards. Lockable for security. Incorporates slider rails for easy loading. Maximum payload 36kg.**

Quick Release Tow Bar
VPLVT0100

Easily removed. Lockable for security. For vehicle towing capacity please refer to the vehicle handbook.

12N/12S Type Towing Electrics Adapter (shown above)♦♦
VPLHT0060

13 Pin Type Towing Electrics●
VPLHT0061

12N Moulded Adapter (shown above)♦♦
VPLVT006476t

Roof Mounted Bike Carrier
VPLFR0091

Lockable bike carrier designed for holding a single bike. Raised Roof Rails and Crossbar Kit required and will accommodate two bike carriers.

Rear Bumper Protection Cover
VPLVS0179

This provides protection to the bumper, while loading and unloading.

*Roof Rails and Crossbars or Sports Bars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation system, if fitted.

**Maximum payload equals the load capacity of the roof mounted accessory. ♦This accessory is not suitable for caravans, trailers or lighting boards fitted with rear mounted LED lamp kits.

♦♦13 Pin Towing Electrics must be fitted.

OUTDOOR

Keep your Evoque looking its best with this collection of accessories, designed to protect the outside from stone chips and spray – and the inside from muddy boots and paws.

Side Steps*
VPLVP0255 – Pure models
VPLVP0208 – Dynamic models

The Evoque's side steps, complete with a rubber tread mat and brushed stainless steel trim, provide easy access to the vehicle's cabin and aids access to the roof. With laser etched Range Rover branding and exterior bright work, they truly complement the vehicle's striking lines and confident stance.

Aperture Retention Net
VPLVS0172

Loadspace Rubber Mat
VPLVS0091

Waterproof with retaining lip and non-slip surface.

Front Mudflaps
VPLVP0065 – Pure and Prestige models (shown above)
VPLVP0066 – Dynamic model

Rear Mudflaps▲
VPLVP0069 – Pure and Prestige models (shown above)
VPLVP0070 – Dynamic models

Mudflaps to reduce spray and help protect paintwork.

Rubber Mat Set
LR045096

Range Rover Evoque branded rubber mat helps protect the driver and passenger footwell carpet. Waterproof and non-slip surface.

Cargo Barrier Full Height (shown above)
VPLVS00221 – Coupé models only
VPLVS00220 – Five-door models only

*Fitting of Side Steps may affect the off-road capability of the vehicle. ▲Not applicable with Perpendicular Parking.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealership within one month or 1,600 kilometres/1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealership who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

Castrol EDGE Professional exclusively recommended by Land Rover.

Vehicle shown left is Pure five-door in Firenze Red.
