ENJOYNEERING

Youthful spirit has always been the beating heart of the SEAT Ibiza. A car that fizzes with fun while laying down some serious performance. And now the new SEAT Ibiza continues in the same groove. But how do you improve a classic?

We call it: **ENJOYNEERING**

PERFECTLY IN TUNE

The new Ibiza is sharper and more dynamic than ever. Taut lines respect its sporty nature, and the remodeled front end has a definite glint of mischief in its headlights.

Inside it's just as sharp. Unmistakable quality and attention to detail enhance an already thrilling ride, as does cutting edge technology.

On the road the racy three-door SC, gutsy five-door hatch, and versatile ST estate are driven by a state-of-the-art range of engines, combining impressive environmental performance with sheer exhilaration.

With so much passion and innovation in the mix, whatever your rhythm, you'll find the new SEAT Ibiza perfectly in tune.

A BRAND NEW CROWD PLEASER

But always a classic

Isn't it great when you get everything just right? For the new Ibiza five-door that meant creating the perfect blend of versatility and desirability. When we updated this classic, we took these ingredients, honing them into the perfect mix with new optional bi-xenon headlamps and front and rear LED lights, remodelled design lines, new bumpers, new front grille, and a choice of new alloy wheels and colours. With all of these changes you might think that it's a completely different car. More innovation, higher quality specs, but it's the same fun, sporty, practical, versatile and trend-setting SEAT Ibiza that you've known for over 25 years.

ROCKAWAY
RECORDS

ROCKAWAY
RECORDS

MORE BEATS PER MINUTE

It's what SC really stands for

SC stands for Sport Coupé. In other words, it stands for thrilling performance and eye-catching style. And the new Ibiza SC certainly lives up to its name.

Broad shoulders, sharp lines and flared wheel arches are the perfect canvas for some striking new colours and a choice of 15", 16" or 17" alloy wheels. And the compact three-door layout emphasises that dynamic styling. The new honeycomb front grille, lowered front air intake, and sharper looking headlights give the Ibiza a signature style that's more 'Ibiza' than ever.

And the new FR version ups the tempo even further, with its accentuated lines and extra details, like the large front fog lights with cornering function. The new Ibiza SC is made to make your heart beat faster.

THIS IS WHERE YOU FIT IN

Incredibly well

The Ibiza has always been an extremely pleasant place to be, and now with all the fine-tuning it's even better. Improvements that keep it ahead of the game include stylish new lettering on the instrument panels, a redesigned steering wheel and control buttons, upgraded upholstery options, and a large 10.7 litre glove compartment with interior light. Inside the FR we've taken it up a gear, with a sporty leather trimmed steering wheel and gear knob and optional leather upholstery to finish it off. And with climate control available, it means that the feel is just as gorgeous as the look. On the subject of touch-and-feel, you can leave your phone well alone, thanks to the optional hands free function enabled by integrated Bluetooth® for the standard four-speaker sound system and your mobile.

But there is one more way you can improve your surroundings. A combined USB/AUX-in port gives you access to your iPod®* or USB stick, so you can plug in and drive along to your perfect tunes.

* Connected with a special cable available as an original SEAT accessory.

NOW WITH ADDED IBIZA

More of what you love

Feeling spontaneous? The ST is always ready. It's already up and running with Ibiza DNA, but now has the extra capacity to take on board all the essentials that you need to make life interesting. Whether it's something for the weekend, a small hobby or a great adventure, the ST can always accommodate the things that come along and demand some extra attention. But bigger still means beautiful. And with its sporty looks and stylish details, the new FR demands some attention of its own. But don't be fooled, those sleek lines can still swallow all the extra stuff and steal the show at the same time.

LIVING LARGE

For those who live to live

You might know how to ingeniously squeeze more out of the day, but you don't have to worry about fitting all of its baggage into the capacious Ibiza. You'll find 284 litres of space in the boot of the SC, 292 litres in the five-door model, and a rather generous 430 litres of it in the ST estate. All making short work of living a larger life. With clever storage spaces – including a bigger glovebox with light - to turn it into the ultimate mobile personal organiser. You can also pack in a few human beings quite comfortably too, each of them enjoying generous leg and headroom, so they can comfortably stretch out, if they feel so reclined.

GOOD CLEAN FUN

Excitement and efficiency perfectly in tune

Not only is the Ibiza a great entertainer, it's also a responsible one. This is all ensured by a range of powerful yet clean engines that include a 143PS diesel and 150PS petrol, all emitting less than 140 g/km of CO₂. Engines that perfectly combine excitement with efficiency, so you can love the road and love the planet, both at the same time. Environmental impact is further reduced by advanced features like Start/Stop and Energy Recovery Systems, as well as our recognised range of ultra green Ecomotive, versions that have always been responsible but fun. And it's not often that those two words occur in the same sentence.

Combined fuel consumption: 47.9 - 80.7 mpg. Combined CO₂ emissions: 139 - 92 g/km.

START/STOP SYSTEM.

This system allows you to save fuel and cut down on CO₂ emissions.

Start/Stop System activates when you are in a neutral gear position. The engine turns off completely and remains stopped until you put your foot on the clutch.

To be on the move again, you only need to step on the clutch, and the engine will start automatically by the time you've shifted into first gear.

BI-XENON HEADLIGHTS WITH LED.

Not just a pretty face. As well as the sparkling eyes of the Ibiza, the bi-xenon headlights with LED running lights are pin sharp, efficient and highly directional. Now everything is illuminated.

LUXURY VS. TECHNOLOGY

There's no competition, the Ibiza has it all

* Connected with a special cable available as an original SEAT accessory.

CLIMATE CONTROL.

Complete control over the climate (Only works inside the Ibiza). Dial up your ideal temperature, and let the car keep you in comfort.

CRUISE CONTROL.

Set it and forget it. Cruise control makes long distance road trips that bit more comfortable. Let the Ibiza stretch its legs, while you relax yours.

IPOD® CONNECTION.

Jump in, plug in, and drive off. Hook up your iPod® or other compatible media player to the dedicated port for easy access to all your tunes.

SAFETY FIRST

Well, where else would it be?

The beauty can last with the New Ibiza. In fact it's one of the safest cars in its class. Its long list of the most advanced safety features includes head and chest airbags for driver and passenger, tyre pressure warning indicator, and Hill Hold control.

And there is even a feature that will hopefully make sure none of the above are used at all: Electronic Stability Control (ESC) with XDS. This optional system monitors information from the steering wheel, tyres, brakes and accelerator, and makes adjustments to keep you on the right track.

REAR PARKING SENSORS.

Rear mounted proximity sensors make parking a breeze, warning you if you get too close when reversing. It's good to know someone's got your back.

HILL HOLD CONTROL.

The only way is up, thanks to Hill Hold Control. The system prevents your car from rolling back during hill starts by applying an automatic two second delay in releasing the brakes.

AIRBAGS.

It's great to be on the road, surrounded by friends. And it's even better when you're all surrounded by safety. The SEAT Ibiza has front airbags as standard, as well as combined head and chest side airbags.

GET YOUR KIT ON

Which Ibiza will you take home?

E

- / 14" steel wheels with 'Coloso' covers
- / Electric front windows
- / MP3-compatible CD player with AUX-in
- / Remote audio controls
- / Four speakers
- / Remote central locking
- / Driver and front passenger airbag
- / Combined head-thorax front side airbags
- / Front seatbelt reminders
- / Height-adjustable driver's seat
- / Folding rear bench seat
- / Three-point seatbelts on all rear seats
- / ISOFIX points with Top Tether in outer rear seats
- / Height- and reach-adjustable steering wheel
- / Speed-sensitive power steering
- / Emergency tyre repair kit
- / Door handles and mirrors in black plastic
- / Body-coloured bumpers
- / 12v socket in centre console

S A/C

IN ADDITION TO THE E TRIM

- / Air conditioning
- / 15" steel wheels with 'Mamba' covers
- / Volumetric alarm
- / Split folding rear seats
- / Black roof rails (Ibiza ST)

Model shown is S A/C with optional 15" 'Ibia' alloy wheels.

SE

IN ADDITION TO THE S A/C TRIM

- / 15" 'Marsala' alloy wheels
- / Leather steering wheel and gearknob
- / Front fog lights with cornering function
- / Body-coloured door handles and mirrors
- / Heated and electrically-adjustable door mirrors
- / Chrome roof rails (Ibiza ST)
- / Gloss black B and C pillars (not Ibiza SC)
- / Trip computer
- / Outside temperature gauge
- / Front seatback storage pockets
- / Map-reading lights

Model shown with optional Climate control.

FR

IN ADDITION TO THE SE TRIM

- / 16" 'Cartago' alloy wheels
- / LED rear lights
- / Exclusive FR-badged front and rear bumpers
- / Twin exhaust pipes
- / Exclusive FR steering wheel and interior details
- / Exclusive FR sports seats
- / Sports suspension
- / ESC (Electronic Stability Control) with EBA
- / XDS (electronic differential lock)
- / Cruise control
- / Height-adjustable front passenger seat
- / Coming home headlight function

* FR bumpers lead to different dimensions.

¹The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

²Where law permits.

³Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

MORE ATTENTION. MORE DETAIL

Enhance your ride

Choose from a range of high quality original SEAT accessories, designed to let you perfectly tune your Ibiza to your exact needs. Speak to your local SEAT dealer for details on the full accessory range. Protect your SEAT, or personalise it with some stylish accessories. There's a wide range of fitted packs and you'll make a saving compared to buying the accessories individually.

Full range of accessories available to download on PDF from: www.seat.co.uk/accessories

SEAT FINANCE

Your simplest route to a thrilling drive

Before you settle on a model, spec and finish, Solutions from SEAT Finance can help create an effortlessly affordable drive that's tailored just for you.

Solutions is different because you defer a proportion of the car's value until the end of the agreement, giving you significantly lower monthly repayments than if you'd taken out a loan....ever heard of a bank being so imaginative?

Want a higher spec SEAT? Our Solutions personal contract plan could help you drive off with more of a SEAT than you were expecting.

Totally flexible, you get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have three options to choose from.

1. Part-exchange your car for a brand new SEAT on a new Solutions contract.
2. If you love your SEAT and can't bare to part from it, pay the optional final payment and keep the car.*
3. Or return the car to us (subject to terms and conditions).

Ask your local dealer's financial expert what Solutions can do for you and for a personalised quotation – it's more rewarding than you think.

*Subject to terms and conditions and payment of the option to purchase fee. An offer of finance depends on certain conditions. Subject to status. Indemnities may be required. Available to over 18s in the UK only. SEAT Finance.

THE SEAT WARRANTY

THREE-YEAR WARRANTY.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 0,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

THREE-YEAR PAINT WARRANTY.

The paintwork of the Ibiza 5dr, SC and ST is covered against manufacturing defects for a period of three years. Naturally, the Ibiza 5dr, SC and ST must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

TWELVE-YEAR BODY PROTECTION WARRANTY.

The internal body sections and panels of the Ibiza 5dr, SC and ST are covered against rusting through from the inside for a period of twelve years. Naturally, the Ibiza 5dr, SC and ST must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT PARTS WARRANTY.

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT ACCESSORIES.

Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians.

SPECIFICATIONS.

Specifications for the Ibiza 5dr, SC and ST refer to Model Year 2013. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (03/12), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT FINANCE.

SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- / Solutions – a personal contract plan
- / Hire purchase
- / Finance lease
- / Lease purchase
- / Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

TEST-DRIVE A SEAT.

To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

FUEL CONSUMPTION INFORMATION.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

VEHICLE EXCISE DUTY AND CO₂ EMISSIONS.

All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

OPTIONAL EQUIPMENT.

Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT BUSINESS SALES.

SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. ENJOYNEERING

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it ENJOYNEERING. We are SEAT.

www.time4leasing.co.uk/car-leasing/seat/

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication (**March '12**), you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
